WITH POWER OF ATTORNEY

X REGULAR (UTILITY) OR \_\_\_\_\_ DESIGN APPLICATION  
(check one)

As a below-named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name.

I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is claimed and for which a patent is sought on the invention entitled "Over the Air User Zone Assignment for Wireless Telephony Systems", Attorney Docket No. A00498, the specification of which:

X is attached hereto.

\_\_\_\_\_ was filed on \_\_\_\_\_ as U.S. Application Serial No. \_\_\_\_\_  
and was amended on \_\_\_\_\_ (if applicable).

I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above. I hereby authorize my attorney(s) or agent(s) to fill in the U.S. Application Serial No. above, if required.

I acknowledge the duty to disclose information which is material to the examination of this application in accordance with Title 37, Code of Federal Regulation, Section 1.56(a).

I hereby claim foreign priority benefits under Title 35, United States Code, Section 119 of any foreign application(s) for patent or inventor's certificate listed below and have also identified below any foreign application for patent or inventor's certificate having a filing date before that of the application on which priority is claimed:

Prior Foreign Application(s):

X no such applications filed

\_\_\_\_\_ such applications identified as follows:

### ASSIGNMENT

WHEREAS, Theodore J. Myers and Patrick J. Walsh hereinafter called the "Assignors", have made the invention described in the United States patent application entitled "Over the Air User Zone Assignment for Wireless Telephony Systems", (Ameritech Docket No. A00498) for a full description of which reference is here made to an application for Letters Patent of the United States filed September 20, 1999 and assigned Application Serial No. 09/399,402.

WHEREAS, Ameritech Corporation, a corporation organized and existing under the laws of the State of Delaware, having a place of business at 2000 West Ameritech Center Drive, Hoffman Estates, Illinois 60196-1025, hereinafter called the "Assignee", desires to acquire the entire right, title and interest in and to the invention and the patent application identified above, and all patents which may be obtained for said invention, as set forth below:

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) and other valuable and legally sufficient consideration, the receipt of which by the Assignors from the Assignee is hereby acknowledged, the Assignors have sold, assigned and transferred, and by these presents do, sell, assign and transfer to the Assignee, the entire right, title and interest for the United states in and to the invention and the patent application identified above, and any patents that may issue for said invention in the United States; together with the entire right, title and interest in and to said invention and all patent applications and patents therefor in all countries foreign to the United states, including the full right to claim for any such application all benefits and priority rights under any applicable convention; together with the entire right, title and interest in and to all continuations, divisions, renewals and extensions of any of the patent applications and patents defined above; to have and to hold for the sole and exclusive use and benefit of the Assignee, its successors and assigns, to the full end of the term and terms for all such patents.

The Assignors hereby covenant and agree, for both the Assignors and the Assignors' legal representatives, that the Assignors will assist the Assignee in the prosecution of the patent application identified above; in the making and prosecution of any other patent applications that the Assignee may elect to make covering the invention identified above; in vesting in the Assignee like exclusive title in and to all such other patent applications and patents; and in the prosecution of any interference which may arise involving said invention, or any such patent application or patent; and that the Assignors will execute and deliver to the Assignee to carry out the terms of this Assignment. Assignors authorize attorney or agent to fill in the U.S. Application Serial No. above, if required.

Docket No. A00498

The Commissioner of Patents is hereby authorized and requested to issue patents to the Assignee in accordance with the terms of this Agreement.

IN TESTIMONY WHEREOF, the Assignors have executed this Agreement.
